Subject: Civil Case 06-00031

Hafa Adai Your Honor,

This Letter Is In Reference To Civil Case 06-00031, and the Answer to Amended Compliant Which Was Filed on February 16, 2007 Cruz Vs. Calvo et., al, I would like to humbly request the court to place a " HOLD" on the Above Case. I am currently in Contact with Washington D.C. Officials Respectfully the White House (OVAL OFFICE), United States Health and Human Services Department, United States Department Of Justice To Name A Few. This Island And its Leaders Do Not Care About Individuals With Disabilities. If You May Re-call In All My Complaints that I have Filed With The United States District Court of Guam, Since October Of 2006. I Fill That I Have Provided Sufficient Enough Evidence To Prove That I Was Promised, Committed, Lied, and Even Been A Victim Of Discrimination By The Department of Integrated Services For Individuals With Disabilities also Known As (DISID), and I Have Been Intimidated By The DISID Division Of Support Services By Intrusion And Invading My Privacy Under The Fourth Amendment Right. This Is An On Going Situation With DISID MANAGEMENT, WHOM STILL BELIEVE THAT Currently They Are Still In Power. As I Stated Previously in My Plea To The United States District Court of Guam, Which The Government Of Guam and The Community On Guam Have Singled Out Individuals With Disabilities. This Case Is Quite Evident That Guam Does Not Treat Individuals With Disabilities With Dignity,

DISTRICT COURT OF GUAM

CLERK OF COURT

Respect, and Understanding there point of View. The Government of Guam, and the Community as a Whole, has consistently Made It Difficult For Individuals with Disabilities to Succeed in There Endeavors. If You Read The Answer To The Amended Compliant 06-00031, The Attorney(s) for The Defendant(s) Philip Isaac Ask The Plaintiff To DISMISS THE CASE, And at the Same Time Suggest That I Walk Away With Nothing In My Hand. I Have a Message to the Defendant(s) And There Attorneys, as well as the United States District Court Of Guam. That Since The Defendant(s) Do Not Want To Admit There Mistakes And Step up To The Plate Then I Have No Recourse But To Contact The Federal Government. I Highly Suggest That This Court, get With The Defendant(S) and There Attorneys To Accept My Final Offer Or Else Bear With The Relief I Am Seeking In My Amended Compliant. As I Also Previously Pointed Out That THIS CASE IS NOT ABOUT JACOB CRUZ Alone. THIS CASE IS ABOUT JACOB CRUZ AND THE MANY OTHER INDIVIDUALS WITH DISABILITIES THAT Have been Promised/Committed/Lied/Invaded Privacy By The DISID MANAGEMENT ROSANNE S. ADA DISID DIRECTOR, Gregorio Salas Calvo, DISID Deputy Director, Helena Ana G. KUBO DIVISION OF SUPPORT SERVICES ADMINISTRATOR/ ROSEMARIE GENESE DIV of Support Services SOCIAL WORKER II/ THIS CIVIL CASE 06-00031 Shouldn't ha ve Went This Far. However there has been An On Going battle At DISID. To Date They Still Can Not And Will Not Release The Can of Worms As To Why MIMI HERNANDEZ R.N. WAS FIRED, WHY? Jesus Cantor Torres Resigned As DISID Deputy Director? Why? And Why Only A Select Few Individuals With Disabilities Qualified For The Individualized Budgeting Program (IBP): Evelyn Duenas, Claire Duenas, Joseph Tereyama, Doris Cahijal, Victor Tadeo, To name A Few. And Why Was DARREN Guterrez, and Others Afforded To Attend An Off-Island Institution of Higher Learning. Come On, Your Honor We Can Not Continue To Use The Term DISID MANAGEMENT HAS USED FOR SO LONG THAT THE ABOVE ISSUE IS "A PERSONAL or RATHER A CONFIDENTIAL" ISSUE... The Can Of Worms Is Opening, and the Worms Are Climbing Out of The can.... The Individualized Budgeting Program (IBP) HAS YET TO RELEASE FUNDING TO DATE. Instead of DISID MANAGEMENT WANTING TO KNOW THE PROBLEMS THAT FACES THE INDIVIDUALS WITH DISABILITIES, They Sit in There Nice Offices, and wait to Problems Like This To Build Up and Then They Act. THIS ACTION IS A BLATANT INJUSTICE. These games That DISID MANAGEMENT HAVE BEEN PLAYING FOR TOO LONG HAVE TO STOP... STEP UP TO REALITY. And Accept The Actions For Your Mistakes.

Thank You for Your Time and Undivided Attention.
